#1 NEW YORK TIMES BESTSELLING AUTHOR

— MISTBORN —

THE WELL OF ASCENSION

— ORIGINAL TRILOGY BOOK 2 —

Now with over 10 million copies sold, The Mistborn Series has the thrills of a heist story, the twistiness of political intrigue, and the epic scale of a landmark fantasy saga.

The impossible has been accomplished. The Lord Ruler—the man who claimed to be god incarnate and brutally ruled the world for a thousand years—has been vanquished. But Kelsier, the hero who masterminded that triumph, is dead too, and now the awesome task of building a new world has been left to his young protégé, Vin, the former street urchin who is now the most powerful Mistborn in the land, and to the idealistic young nobleman she loves.

As Kelsier's protégé and slayer of the Lord Ruler she is now venerated by a budding new religion, a distinction that makes her intensely uncomfortable. Even more worrying, the mists have begun behaving strangely since the Lord Ruler died, and seem to harbor a strange vaporous entity that haunts her.

Stopping assassins may keep Vin's Mistborn skills sharp, but it's the least of her problems. Luthadel, the largest city of the former empire, doesn't run itself, and Vin and the other members of Kelsier's crew, who lead the revolution, must learn a whole new set of practical and political skills to help. It certainly won't get easier with three armies—one of them composed of ferocious giants—now vying to conquer the city, and no sign of the Lord Ruler's hidden cache of atium, the rarest and most powerful Allomantic metal.

As the siege of Luthadel tightens, an ancient legend seems to offer a glimmer of hope. But even if it really exists, no one knows where to find the Well of Ascension or what manner of power it bestows.

TABLE OF FERUCHEMICAL METALS

PHYSICAL

Iron	Bluntest of ferrous, can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.
Steel	Softer than iron, can have physical, mental, and cognitive, and can help in other areas to improve their spirit.
Tin	Bluntest of ferrous, can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.
Plaster	Bluntest of ferrous, can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.

SPIRITUAL

Chromium	Spiritual ferrous can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.
Nickel	Softer than iron, can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.
Aluminum	A metal ferrous, can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.
Dynamium	Can have ferrous, can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.

FERUCHEMISTRY

It is the study of the chemical and physical properties of ferrous metals. It is a branch of chemistry that deals with the properties of ferrous metals and their compounds. It is a branch of chemistry that deals with the properties of ferrous metals and their compounds. It is a branch of chemistry that deals with the properties of ferrous metals and their compounds.

COGNITIVE

Zinc	Spiritual ferrous can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.
Brass	Softer than iron, can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.
Copper	Bluntest of ferrous, can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.
Bronze	Softer than iron, can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.

HYBRID

Cadmium	Can have ferrous, can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.
Gold	Bluntest of ferrous, can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.
Bismuth	Softer than iron, can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.
Electrum	Can have ferrous, can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.

GOD METALS

Aium	Bluntest of ferrous, can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.
Lezantium	Softer than iron, can have physical, mental, and emotional, and cognitive, and can help in other areas to improve their spirit.
