MEET THE CAST

DOG MAN: His heart is always in the right place. If only his brain was, too.

PETEY: A former villain whose evil heart became pure. If only his brain could change, too. Who knew he had so much in common with Dog Man?

LI'L PETEY: Petey's son, and the reason Petey's heart changed from evil to pure. Li'l Petey is an optimist, and always looks for the good in every situation.

MOLLY: This psychokinetic baby frog has the ability to move things with her brain. But her greatest superpower may be her ability to irritate grown-ups.

BO-HD: A sentient robot who has no facial features, and cannot speak or write. He is, nevertheless, very good at communicating because he always uses his creativity and imagination.

CHIEF: He's Dog Man's BFF and Nurse Lady's main squeeze. What started as an innocent crush has developed into a SUPA MUSHY romance. Put a ring on it, Chief!!!

NURSE LADY (a.k.a. Genie S. Lady, RN, BSN): Besides being a quick-thinking hero who saved Dog Man's life, she's also Chief's boo. Can you hear the wedding bells?

MYSTERIOUS NEW VILLAIN: This never-before-seen bad guy may have a fresh, unfamiliar face, but his heart harbors a horror that could heighten him to a household name.

MAUDE: She's a mean cop who HATES Dog Man. For some strange reason, she gets mad every time he poops in her filing Cabinet. Thank Goodness she's not in charge!!!

Hey, wait. We did this guy already.
... or did we?

OH, NO!!! This CAN'T be a good sign...

INTRODUCING

FLIPE-RAMA

FLIP-E-RAMA

Here's How it Works:

OPTION 1:

If your device uses FORWARD and BACKWARD buttons to turn the page, place one finger on each button. Then quickly click forward and back between the two Flip-E-Rama pages, and repeat several times until the picture appears to be poorly animated.

OPTION 2:

If your device lets you SWIPE to turn the page, use your finger to swipe once to the left, then swipe once to the right. Then keep swiping back and forth between the two Flip-E-Rama pages until the picture appears to be poorly animated.

FLIP-E-RAMA works best if your device is turned vertically and you can only see one page at a time. Don't forget to add your own sound-effects!
