

A romantic couple embracing in bed. The man, with a beard and wearing a white t-shirt, is leaning over the woman, who has her eyes closed and is wearing a dark top. They are both smiling softly. The background is a dark, textured wall. The lighting is warm and intimate, highlighting their faces and the texture of the bed's fabric.

& JOIN THE JOURNEY

Thank you for your interest in my work—it truly means the world to me as an author. If you've enjoyed my writing, I'd be so grateful if you could explore the other books I've written. Each one is crafted with care and passion, and your support helps me continue creating stories that inspire, entertain, and connect us all.

Please keep an eye out for my upcoming releases, share my books with fellow readers, and, if you feel inclined, leave a review or share your thoughts. Every bit of encouragement goes a long way!

Thank you for being part of this journey with me.

With gratitude,

Sam

CHAPTER 20

KEEPING GOD AT THE CENTER OF IT ALL

CONCLUSION

INTRODUCTION

Marriage is one of the most powerful, sacred commitments a person can make. It's not just about two people coming together; it's about building something that reflects God's love, a love that is patient, kind, and full of grace. But let's be real—marriage is work. It's beautiful, but it can be hard. It's passionate, but it can get complicated. In today's world, couples find themselves struggling to keep that spark, that connection, and even their faith alive in their relationship. Some wonder if they can ever get back to the love they once had. Others want to make sure they start on the right foot and build something that will last. If any of that sounds familiar, this book is for you.

The goal here is simple: to help couples strengthen their marriage by deepening their emotional and physical intimacy while keeping God at the center. Marriage isn't just about love; it's about commitment, sacrifice, and faith. God designed marriage to be a lifelong journey where two people lift each other up, love each other through the storms, and desire one another in a way that is sacred and fulfilling. But life happens—temptations creep in, stress wears you down, misunderstandings build walls, and suddenly, that once-unshakable connection starts to feel a little shaky. This book is here to help you rebuild, renew, and reignite the love God intended for you and your spouse.

Now, let's talk about what marriage really is. It's not some human-made concept—it's straight from God. Genesis 2:24 lays it out: a man leaves his father and mother, joins with his wife, and the two become one. That "oneness" isn't just physical; it's emotional, spiritual, and

mental. True intimacy in marriage is about trust, unity, and unconditional love. It's about being vulnerable with each other and knowing that no matter what, you're in this together. But before we get into all of that, let's talk about the foundation.

When should you get married? The Bible makes it clear—marriage is serious business, not something to rush into. It takes maturity, patience, and a heart that's ready to serve, not just be served. One of the most important factors is being equally yoked. 2 Corinthians 6:14 warns us not to be unequally yoked with unbelievers. If one person is walking in faith and the other is walking in the world, how can they truly walk together? When two people share the same faith and values, they stand a better chance of weathering the storms of life. A marriage built on faith is built to last.

And let's not forget about intimacy—yep, we're going there. Hebrews 13:4 tells us the marriage bed is undefiled. That means within the covenant of marriage, intimacy isn't just okay—it's a gift from God. But let's be honest, society has twisted and distorted the meaning of intimacy. A lot of people walk into marriage carrying guilt, shame, or unrealistic expectations, and it can rob them of the joy God intended. This book is going to help you reclaim that gift and embrace the passion and pleasure God designed for a husband and wife.

Every marriage goes through ups and downs. Maybe the communication is off. Maybe finances are causing stress. Maybe the intimacy just isn't what it used to be. Life has a way of throwing curveballs that can shake even the strongest unions. But here's the good news—God is a restorer. No marriage is too far gone for Him to heal. But healing takes effort.
