AUTHOR NOTE

Hello reader friend,

If you haven't read my books before, you might not know this, but I write darker stories that can be upsetting and disturbing. My books and main characters aren't for the faint of heart.

This book contains themes of consensual non-consensual and child assault. I trust you know your triggers before you proceed.

Yellow Thorns is the prequel of a duet and is not standalone.

BLURB

Blurred. Wrong. Taboo.

It wasn't supposed to happen. Not the first look.

Not the first kiss.

And definitely not the first run.

But it did.

She ran for it.

And now, my beast will come out to play.
